SUMMARY

Detail-oriented and self-motivated software developer with hands-on experience in full-stack development, specializing in building scalable web applications using technologies like Node.js, React.js, MongoDB, Express, and Java. Passionate about delivering high-quality solutions that enhance user experiences, with a strong foundation in both frontend and backend development. Eager to leverage problem-solving skills and technical expertise to contribute to innovative projects in a collaborative team environment.

PROJECTS

Realstate Website - Frontend project

- it is RealState website name as Homzy
- Technology use - Reactjs(for frontend) , Gsap(for animation)

My Chat :- A chating web application (Full Stack Project)

- Technologies Used: Node.js, React.js, MongoDB, Express, HTML, CSS, JavaScript
- Developed a real-time chatting application with a user-friendly interface using React.js for the frontend and Node.js/Express for the backend.
- Integrated MongoDB for efficient storage and retrieval of user messages and profiles.
- Implemented user authentication and authorization for secure access to chat features.
- Built scalable RESTful APIs to handle messaging and data synchronization across multiple devices.
- Utilized WebSockets for real-time message exchange and notifications between users.

Project Title: YouTube Backend Development

- This project involves the development of a backend system for a YouTube-like platform using modern web technologies. The backend will manage user authentication, video uploads, user profiles, video streaming, and interactions such as likes, comments, and subscriptions. The system is built with Node.js and Express.js for server-side logic, MongoDB for data storage, and JWT (JSON Web Tokens) for secure user authentication.

EDUCATION

12th - CBSE (PCM)
Sanskar Public School
Mathura,Uttarpradesh   **2022**

Bachelor of Computer Application
Rajiv Academy for managment and technology   **Aug 2022 - Aug 2025**
Mathura,UttarPradesh

TECHNICAL SKILLS

- html5
- Tailwind Css
- Javascript
- Typescript
- React js
- Node js
- Express js
- Next Js
- MongoDb
- Java
- Responsive Design
- etc...

SOFT SKILLS

- Adaptability
- Emotional Intelligence
- Collaboration & Teamwork
- Problem-Solving
- Time Management
- Creativity & Innovation
- Leadership

LANGUAGES

- Hindi
- English
